Information Sheet

Team leadership

Recommended resources

A Careerforce Learning Guide has not been developed for this practical topic.

The following Careerforce resource may be helpful and is available at www.library.careerforce.org.nz:

- 28990, 28994 (Learning Guide) - Leadership in a health or wellbeing setting

Explanatory notes

1. All activities must comply with – policies, procedures, and requirements of the organisations involved; the ethical codes of relevant professional bodies; any relevant statutory and regulatory requirements.

2. Evidence supplied for assessment against this standard must be generated in the workplace, or in a simulated situation that requires performance equivalent to that required in the workplace.

3. Award of this unit standard requires the team’s objective to be achieved.
