# Task 1: Culturally safe principles and Pacific values

For this task, you need to show your understanding of how culturally safe principles and Pacific values apply to your role as a support worker.

When answering the following questions, think of a Pacific person(s) that you currently support and how you apply culturally safe principles and Pacific values when supporting them.

## 1. Complete the following table to show you understand and can apply culturally safe principles and Pacific values in your organisation.

Note: Communitarianism means community, supporting each other as opposed to individuals.

Pacific value	How I understand and apply culturally safe principles for the person I support
Reciprocity	<i>I can apply this by understanding that there are give and take responsibilities in these relationships.</i>
Communitarianism	
Mutual help	
Focus on family/families and kinship	
Consensual approach
