Trainee information

Getting started

- Contact your assessor or workplace observer to talk about what you need to do.
- You may have or be asked for evidence or workplace documents which record what you have already done, at work or through training.
- For practical assessments and kōrero mātanga speak to your workplace supervisor and/or assessor when you are ready to get started.

As you do the tasks

- Answer all questions. Refer to real or simulated situations when answering questions.
- For knowledge assessment questions you can choose to write your answers or your assessor may record your verbal answers for you.
- Your assessor or observer will complete the observation form in this assessment when they observe your work. Sometimes they may ask you to do a specific task or ask a question about what you're doing.

When you finish

- Make sure you have completed any parts where the assessor/observer has said you need to do more work.
- If your assessor requires more information, add your extra information to the bottom of your original answer, or on a separate sheet of paper with your name on it, date it, and answer any questions the assessor has asked you.

Appeals

If you wish to appeal against the assessment result or process, talk to your assessor.

If you're still not satisfied, you can appeal to Careerforce by completing the assessment result appeal form. You can find this form online at www.careerforce.org.nz/contact/forms

Task 1: Waste systems

In this task you must show your understanding of how healthcare waste is handled in your organisation.

Q1 What is the system in your organisation for segregating different types of healthcare waste?

Complete the table below to describe how each type of waste is segregated or kept separate from other types of waste.

Make sure your answer includes any colour coding used.

Types of waste	How it is segregated and colour of containers used
Hazardous waste (may include sharps, human products)	
Non-hazardous waste	
General waste	
Other waste (if applicable)	

Q2 How do you keep yourself and others safe?

What precautions do you need to take to keep yourself and others safe when collecting and transporting **general** waste?

What precautions do you need to take to keep yourself and others safe when collecting and transporting **hazardous** waste?

What **security** measures do you need to take when handling hazardous waste?

Task 1: Assessor's feedback to trainee

When the assessor agrees that you have completed this task successfully, they will sign it off on the assessment summary page at the front of this assessment.

Task 2: Collect and transport healthcare waste

For this practical assessment, you need to collect and transport healthcare waste in your workplace.

Complete all written tasks in this assessment before completing this task.

Ask your observer to complete the observation form to confirm that you collect and transport healthcare waste as part of your role.

The observer is likely to be your manager, supervisor or team leader. This must be a person who has observed your work over a period of time and can confirm that you complete the tasks to the standard required. Your assessor may contact your observer to discuss their comments.

Read the checklist so you know what is being observed.

What you need to do

Collect and transport healthcare waste for collection/disposal following your workplace processes.

The waste could be hazardous, non-hazardous, general waste or another form of waste depending on your role.

Note to observer

You have been asked to complete this observation as the supervisor/manager of the trainee. You must have observed the trainee working over a period of time.

The trainee has provided details of when they have collected and transported healthcare waste as part of their role.

You need to be confident that the information they have provided is correct and that trainee consistently transports deceased people according to the standards listed in the checklist below.

If you agree that the trainee meets these standards please tick the boxes below. If you do not agree please discuss the requirements with the trainee. Please comment on the trainee's performance. The assessor may wish to contact you to discuss this observation.

Observation

The trainee has collected and transported healthcare waste according to the standards below.

The observer/assessor may also use this column to record comments.

Assessor/observer to complete

The trainee:

- collects and handles the waste in a way that keeps themselves and others safe.
- transports healthcare waste keeping it secure at all times.
- completes any documentation (if required).
- follows the organisation's policies and procedures at all times.

Please add any further comments you wish to make.

If you are an observer, please give your details as the assessor may wish to contact you.
